* Peoria Unified School District's Integrated Beginning Algebra course is a prerequisite to Integrated Intermediate Algebra and Integrated Geometry, which are required math classes for graduation. Integrated Beginning Algebra may be completed prior to high school or once enrolled in high school. If completed in a PUSD elementary school, Integrated Beginning Algebra credit will be transferred to high school, but will not affect high school GPA. In effect, students must successfully complete **three required math courses** in order to fulfill PUSD's math graduation requirements.

** The PE requirement may also be fulfilled with one credit of JROTC or Marching Band

*** Arizona Academic Scholars is an initiative of the Arizona Business & Education Coalition. The purpose is to encourage students to complete challenging courses during high school that will prepare them for jobs or higher education after graduation. Arizona Academic Scholars will receive special recognition at their graduation ceremony.

**** The science requirement for the Arizona Academic Scholars program must include: 1. Biology; 2. Chemistry and 3. Integrated Science or Physics.
